CORRIGENDUM

Date: 19.09.2026

Organization	: C-DIT
Tender id	: 2026_CDIT_870882_1
Tender Reference Number	: C-DIT/09/DIGI-PC/26-27/T868 dtd 17.09.2026
Tender Title	: Supply and Installation of i7 Desktop Computers
Corrigendum Type	: Tender Specification and Terms

Sub: Amendment/Addendums in Tender specification and Tender Terms

Tender specification, and Terms are amended as follows and may be read as so from the date of release of the corrigendum.

I) REQUIREMENT SPECIFICATION

TOTAL QUANTITY REQUIRED - 25 NOS.	
Specification	Description
Desktop Segment	Business Model
Processor	Intel Core i7 (14th Gen or higher) or equivalent / Core Ultra 7 processor
Chipset	Intel® Q670 or higher chipset
Form factor	Tower/Mini Tower
RAM	16 GB (1 x 16GB) DDR5 or higher
RAM Expandability	Expandable up to 64 GB

Memory slots	2 DIMM
Internal storage	minimum 512 GB M.2 2280 PCIe NVMe SSD for operating system (factory pre-loaded) and application installation, along with an additional 1 TB SATA HDD (7200 RPM) for data storage
Integrated graphics	Intel UHD Graphics 770 or higher
USB ports	8 USB ports and Minimum 4 – USB 3.0 ports
Communications	Minimum one RJ45 Ethernet port supporting 10/100/1000 Mbps (1 Gbps), preferably based on Intel chipset or equivalent
Input devices	Wired Keyboard and Mouse - of same OEM brand as CPU box. Rebranding not allowed
Audio	Integrated High Definition (HD) audio controller with support for internal speaker and external audio ports (minimum one headphone/line-out and one microphone-in)
Operating Systems	Preloaded Microsoft Windows 11 Pro 64-bit, factory pre-loaded, genuine, and activated. The license shall be OEM-based and embedded in the system firmware (BIOS/UEFI).
Monitor	21.5-inch LED backlit monitor with Full HD resolution (1920 × 1080 @ 60 Hz), anti-glare panel, and equipped with HDMI and VGA ports of same brand as CPU box.
Warranty	Minimum 3-year onsite warranty extendable up to 5 years
Approved Make/Brand	DELL or HP

II) OTHER TERMS AND CONDITIONS

1. All hardware drivers, BIOS, firmware and system software updates must be readily available in public domain through the official support portal of OEM, ensuring ease of access, maintenance and lifecycle support - Automated update tools / utilities for enterprise device management.
2. The buyer shall be able to verify the desktop's technical specifications and warranty on the OEM's website using the desktop's unique serial number.
3. The specifications retrieved from the OEM's website using the serial number must match the specifications outlined in the bid/contract.

4. The offered desktop systems and all associated hardware peripherals shall be covered under a **comprehensive on-site Original Equipment Manufacturer (OEM) warranty** (of the **same OEM brand as the CPU unit**) for a minimum period of **three (3) years** from the date of successful installation and commissioning. The warranty shall comprehensively cover **spare parts, labour, and all support services**, including replacement of defective components. The bidder shall provide **back-to-back OEM support** and shall be solely responsible for ensuring uninterrupted warranty services during the entire warranty period

III) COMPLIANCE STATEMENT

Technical compliance of every item should be marked, and in case of any deviation, it shall be entered in the Remarks column. The bidder must furnish the make and model of the product quoted without fail.

Desktop Computers i7 – 25 Nos

Sl No	Parameter	Specification	Compliance (Yes/No)	Deviations (if any)
Make/Model				
1	Desktop Segment	Business Model		
2	Processor	Intel Core i7 (14th Gen or higher) or equivalent / Core Ultra 7 processor
